**Naturopathic Doctors and Founders,  
Abaton Integrative Medicine**

The Abaton Sisters, Dr. Stephanie and Dr. Denise, are Naturopathic Doctors and the proud owners of Abaton Integrative Medicine. Abaton is located in the heart of Downtown Oakville and has been working with individuals and families in the surrounding area to achieve their health goals. The Sisters have a particular focus in family medicine, stress and anxiety, digestion, hormonal health, skin conditions, and pediatrics.

When not at the clinic, Dr. Denise enjoys spending time with her husband, two children and their four chickens. Dr. Stephanie in her free time can be found trying out new recipes or spending time with family and friends.
